# Monitoring of Government Programs, Projects and Activities

For CY 2022 - 2023 (Period Covered: January 1, 2023 up to December 31, 2023). This serves as the PhilRaCom Annual Report.

Latest Report : January 1, 2022 to December 31, 2022

Implementing Agency : Philippine Racing Commission (PHILRACOM)

Programs/ Projects / Activities		Description	Geographic Coverage (Province, municipality and barangay	Resource Requirement	Physical Performance				Remarks/ Impact	Issues and Challenges Encountered	
					Indicator	Target		Actual			
						2022	2023	2022	2023		
	C. Incentive for local horse breeders for both Stakes caliber and Regular Race Runners	<i>* In support of continuous improvement of local blood lines aligned with Leading Horse Breeding nation's lineage progress or improvement As mandated under PD 420 Sec 3.c(N.B. Increase in Prize Money was realized which augurs well for the Stakeholders of the Local Horse Racing)</i>  <i>*Bigger purses or additional incentives for horseowners, jockeys, trainers and the betting public</i>	1. Malvar, Batangas 2. NCR and Central Luzon	General Appropriations Act 2023 (GAA of 2023)	An increase in Breeder's Purse			<i>P3K for Breeder's Added Purse for all races both from RBHS and regular stakes races.</i>	Breeder's Added Purse has increased to 4K for all races (both from RBHS and regular stakes races)	<p>* Punctual releases of Promotional Purse revitalizes Breeders and is aligned with the mandate in PD 420 in improving breed bloodlines of Philippine horses under Sec 3.c. *</p> <p>A total of 121M as prize money paid including regular stakes races and Rating based races</p>	For major stakes races, the breeder receives 10% of the total prize money distributed among the top three finishers. (1st, 2nd and 3rd)
	D. Year Round Philracom Stakes Races	* To continuously motivate stakeholders of Locally Bred and Imported Horses.This is to comply with mandate to 'improve' blood lines.	1. Malvar, Batangas 2. NCR and Central Luzon	General Appropriations Act 2023 (GAA of 2023)	Increase in quality stake races conducted	<i>40 Stakes Races P100 M Total. Note</i>	<i>42 Stakes Races P100 M Total. Note</i>	<i>42 Stakes Races P144 M Total.</i>	<i>44 Stakes Races P155 M Total Note</i>	<p>*Actively participated by the current track star horses that lure in the crowd in and out of the track. This is also the medium for pitting updated breeding combinations particularly focused on the local breeding industry.</p> <p>*The 'Imported' runners were also allowed to realize revenue by competing before going to 'breeding' as the ultimate purpose of their importation aligned with P.D. 420 mandate of continuous improvement in local breeding.</p>	It is important to offer promotions and recognition that provide good value for money to primary-level horses in horse racing. It is crucial to establish fair rules and criteria for these promotions and recognition. These horses are often referred to as " Track Superstars: and are the main reason why horse racing remains interesting and entertaining for Filipinos despite the numerous game betting options available today.
